

# DOUG COX M.D.

## *Standing for Traditional Values*

*"I believe we must return to the principals that made our country great, including respecting personal freedoms and expression of religion and faith. I believe that traditional values are not outdated ideas – they are timeless principles that can help guide us in turbulent times. I will stand in support of the traditional values that our nation was founded upon and oppose any efforts to erode family values."*

### **Protecting American and Oklahoma Values**

*I believe every student should learn the Pledge of Allegiance. There is nothing wrong with saying the Pledge and a Prayer at school and sporting events. Oklahomans need to develop a stronger sense of state pride, fly our state flag and tell about the great things in our state!*

### **Defending Family Values**

*As a husband and father, I know that strong, intact families are healthier environments for children to grow in. I will support tax policies that reward instead of penalize families and oppose any attempts to redefine the family in our society.*

### **Protect Religious Freedoms**

*We have seen an erosion of religious freedoms across the nation, and even here in Oklahoma. While the rights of other alternative groups are expanding, the rights of church-goers are shrinking. I will uphold the right to pray and worship in public and private places and to protect religious expression for all. Even now, liberal forces in other states are attacking the tax exempt status of churches. I will not let this happen in Oklahoma!*

**DOUG COX M.D.**

**In Doug Cox , the people of district 5 will have a man of principle representing them at the State Capitol. We need a state representative who will reflect the traditional values of Oklahoma families and who will be committed to protecting and advancing those values for us.**
